

# Is God with us?

Do you ever wish you could go back in time? When would you go back to, and what would you do? *(Write or draw your answer in this box)*

Why does God *not* want us to wish we could go back in time? *(Tick all the right answers below):*

- Because the olden days were not that great
- Because we would have too much fun
- Because we can't make things better now by wishing we were back in the past
- Because God has much better things for us in the future

*God has some really good news for the people in Haggai 2 verses 4 and 5. Unscramble the backwards words below to find out what God said:*

"Be **gnorts**, all you **elpoep** of the **dnal**," declares the Lord,

---

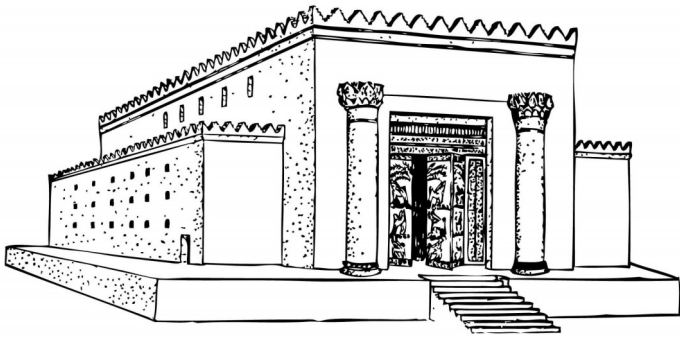

"and **krow**. For I am **htiw** you," declares the Lord Almighty. *(verse 4)*

---

"And my **Tirips** remains **gnoma** you. **Od** not **raef**." *(verse 5)*

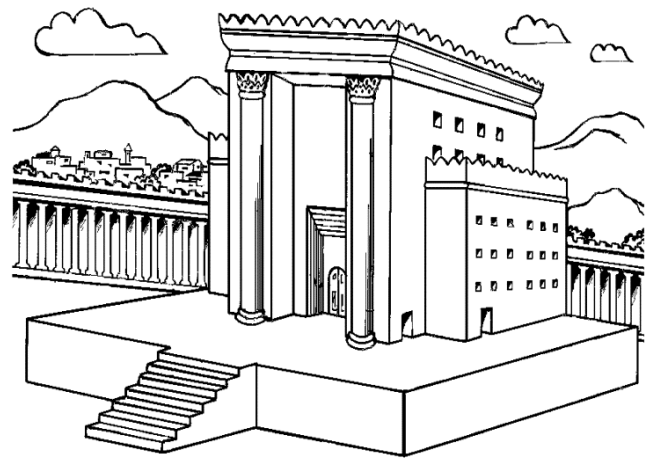

---

God promises that the most exciting and glorious times for the Temple are ahead. But which Temple was God talking about? Circle the best Temple below! (*Remember that "Temple" is where we meet God.*)

Solomon's Temple (the one that the Babylonians destroyed).

Herod's Temple (the one Jesus visited).

Jesus! (Look up Matthew 1:23 and John 2:18-22 to see why Jesus is also called the Temple.)
