

## The Official's Son

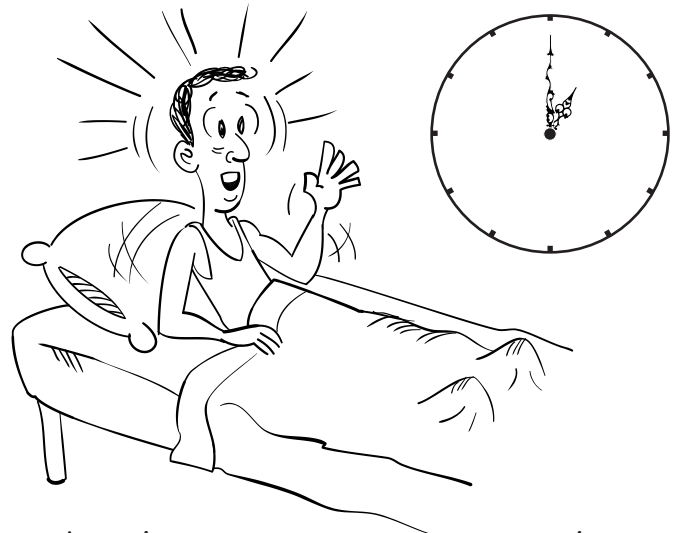

An important man's son  
was dying at home

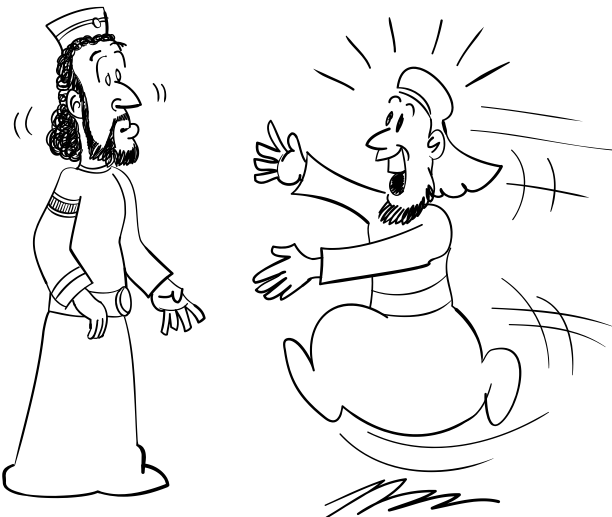

He begged Jesus  
to heal him.

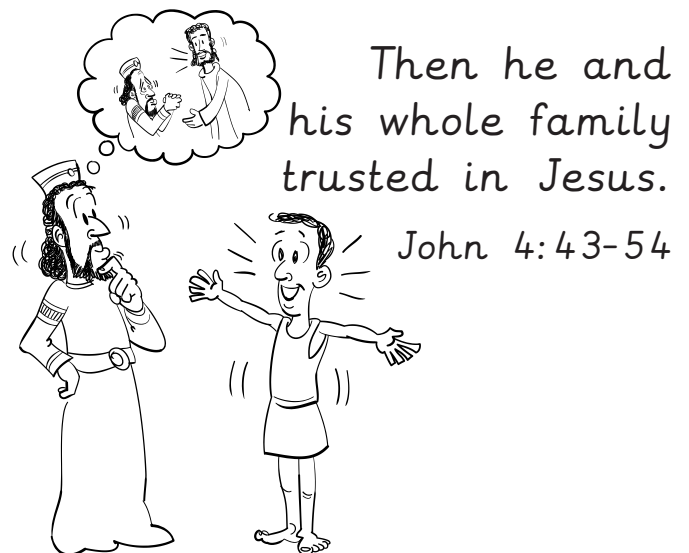

It was 1 o'clock when  
Jesus said that the boy  
would get better.  
The man trusted Jesus'  
words and went home.

At that very moment the  
boy got better, but...

he didn't know this until a  
servant ran to tell him.

Then he and  
his whole family  
trusted in Jesus.

John 4:43-54
